A Special Piece

Mr. Leonard DeSimone

Through words, wisdom, and laughter, Mr. DeSimone reached out to our class and opened our minds to new worlds beyond the pages of our books.

This wonderful teacher and respected advisor to the National Honor Society retired after our sophomore year, but his kindness and compassion has found a lasting place in our hearts.

Thank you Mr. DeSimone for your commitment, your patience, and your support.

ROBERT ZIEBA

Life will throw us many curves
As we walk our chosen trail.

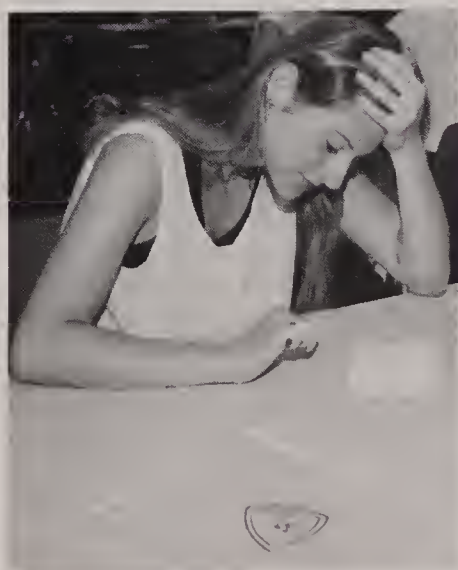

When we find good,
the pieces will connect.

The maze we follow,
leads to many traps-
desire, strength, pride, jealousy.

We must follow these
to make a final picture.

This puzzle we must make
has numerous pieces;
every minute, every second,
every hour of every day
is a piece that may be found
that might find a fitting place
in this puzzle
we call life.

On the 12th day of Naked Day myself gave to me:

12 Hundred pounds of pure, unadulterated Buddha
11 Cabagoles wearing blue nail polish
10 African swallows carrying a pair of coconuts
9 Fat guys with nappy hair yelling "40"
8 She-Tims
7 She-Chrises trying to be She-Tims
6 Packs of . . . soda
5 Golden nuts
4 Standard transmissions
3 Pictures of a drunk guy falling outside a camper
2 THOs
AND A FILIPINO WITH A BUDDHA BELLY.
ARE YOU TALKING?

LeMoine, Ray Umm . . . I don't really have anything to say. Well, I was absent a lot missing a lot of school. And I went to a lot of cool places. Oh yeah, I was and still am straight edge. I hung out with Heather, Pat, Jeff and Corey a lot. I got suspended for doing really idiotic things. I also got a bunch of detentions for ditching school, I never could figure out why you had to stay for 7th period study. Not to be mean, but I never really thought High School people were cool, sorry. I may regret not being Mr. Socialble when I get older, yet for some reason I doubt it. Pickles, Julieta When I came to this school, I thought it was great. The teachers were awesome. When I first started, I was afraid to come. I felt lost on the first day, and was very nervous. When I got to lunch I had nobody to sit with. I was so lonely. I started introducing myself to other kids and soon I had lots of friends. School was getting better. I joined Chorus and stayed in it for 4 years. I really liked it. Then I took voice. I enjoyed singing and even joined the church choir. My senior year was the best'. I look forward to graduating but I will miss North Andover High School.

The 1996 Scarlet Knights Varsity Baseball Team finished with a record of 10-7. Sadly missed for the '97 season will be Co-Captains, Sean Devan, and Darryl Perry. RUNNERS UP

The 1996 girls Spring track team had a great season, finishing 2nd in the Cape Ann League with a strong 8-3 record. Behind the outstanding performances of athletes such as Melissa Gorski, Erin Caffrey, Julie Garvin, and Stacey LaFond, the Knights were a formidable opponent for many. With many star athletes returning next year, including captains Mary Grainger, Julie Garvin, and Erin Caffrey, the 1997 team looks to be the team to beat in the Cape Ann League.

THEY'RE OFF

The 1996 Boys Spring Track team's record of 0-10 does not reflect the amount of effort put in. Lead by the strong performances of Senior Brian Tronic, and Juniors Dave Caloia and Gary Collupy, the Knights gave it their all. Hopefully, 1997, with many returning stars, will be a big improvement. Captains will be Nathan Tortora, Gary Collupy, and Dave Caloia, who is a Cape Ann League all star in the 3200 meter run.

'Look at those girls run! Now I know why we do track!'

IT FIGURES

The math team allows students with a talent for and a love of math to compete with the best and the brightest in the state on an intellectual level. The benefits of such competition have proven to be quick recall, constant review, high SAT scores and Achievement results, top one hundred on the M.A.M.L. exam, and outstanding Atlantic-Pacific results. The team is coached by Mr. McGowan and the Captain is Drew Lowery.

ACTIVITIES

TOP OF THE HEAP

Not to be outdone by last year's members of the Johnson Chapter of the National Honor Society, the 1996-97 senior members are well on their way to making this group a memorable one. Under the able and enthusiastic leadership of President Kaitlin McLaughlin, V.P., Stacy Wilkinson, Recording Secretary Carina Canaan, Treasurer Brian Kwong, Corresponding Secretary Erin Murphy, and Public Relations liaison Kim Anderson. The 42 active members surpassed Nov.'95's collection of blood for the Red Cross by 160% saving and/or prolonging the lives of as many as 280 people. Through the sponsoring of it's Indian child, volunteering at both Lazarus House and Bread and Roses, participating in the AIDS walk, and Peer Tutoring, the members have exceeded the standards of Leadership, Character, and Service.

WORKING IT OUT

Now in its fourth year, the North Andover Peer Mediation program has over fifty trained mediators working within it. Students involved receive extensive training and are responsible for making the high school a safe place where conflicts are resolved through communication.

FRIENDS HELPING FRIENDS

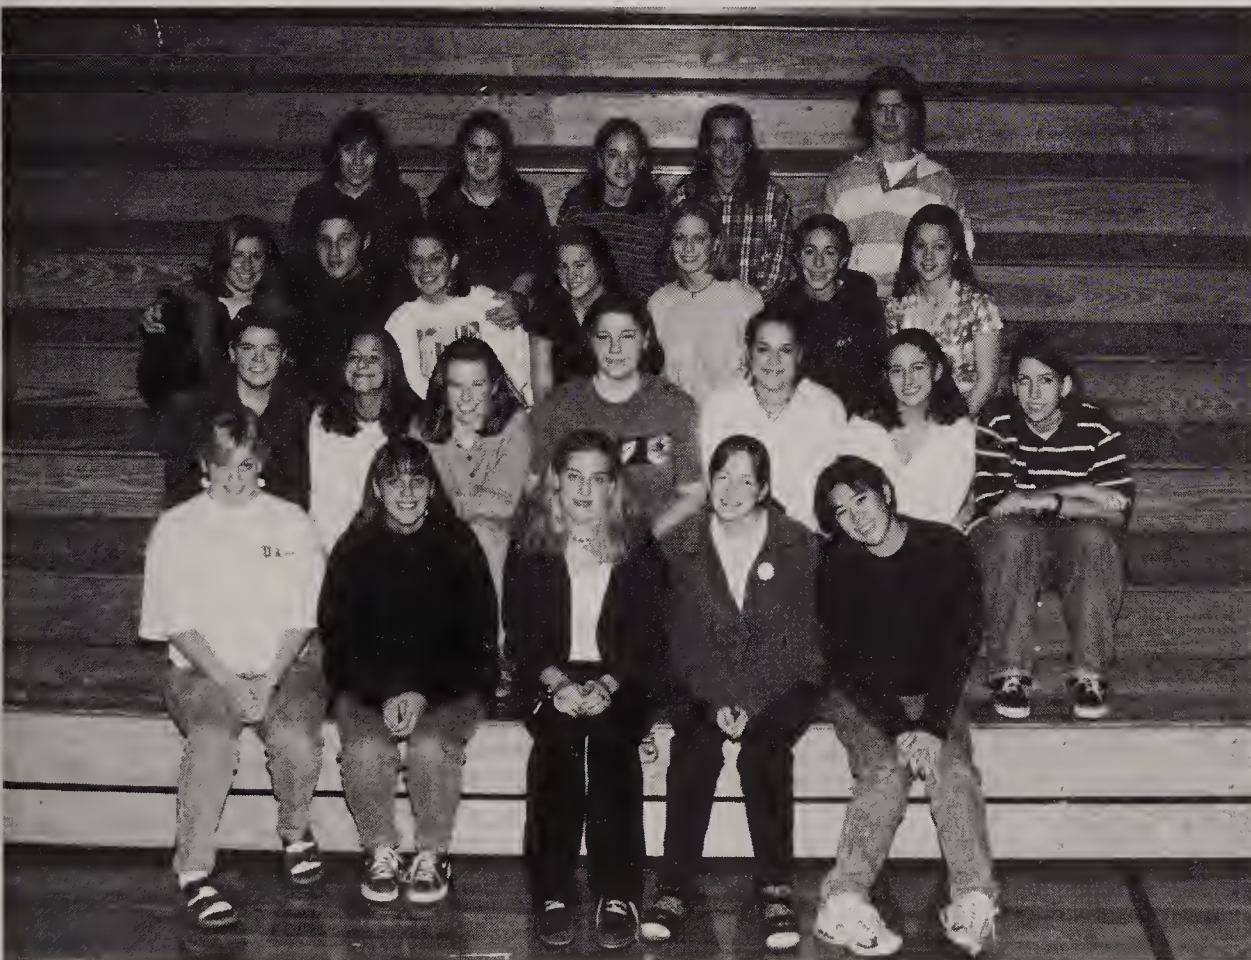

The Peer Tutoring Program is students helping students. Tutors give two or three periods a week, on an as needed basis, to help others in subjects such as reading, math, foreign language, English, science, or writing. A student may receive assistance in one area and tutor someone else in another area.

S.A.D.D. (Students Against Drunk Driving) gives interested students an opportunity to work together to spread the word that drunk driving isn't cool. Members participated in a variety of activities including the Halloween Haunted House Project, placing messages on car windshields, creating and performing anti-drinking and driving skits for Middle School students, and helping a D.A.R.E. officer with a variety of tasks.

ACTIVITIES

LET'S GET PSYCHED

This year, the NAHS Spirit Club continued to grow, under the second year of Ms. Lumb's leadership. This fall's Pep Rally theme was Jungle Boogie. Despite a few setbacks, Spirit Club has had many important accomplishments this year, including the Freshman-Sophomore Semi-Formal, and the Necessities Drive. Thanks to Presidents Cheryl Colarusso, Kristen Broussard, and Chris Compagnone, as well as Senior Advisory Board Members Meg Douglas, Carissa Lietz, Gina Stathos, Stacey Rideout, and Dan Kocman, this year's Spirit Club has been a tremendous success. The Junior Advisory Board Members will be sure to keep the spirit alive next year.

THE CABINET

The Student Council, led by President Laura Messier, has had an undoubtedly successful year. Comprised of elected student officials and student volunteers, this mass of helpful students have been up to their ears in work. This year's Student Council took on what was perhaps their biggest fundraiser ever the Hunger Banquet, benefiting Lazarus House. The event proved to be a success earning over \$1400 dollars for Lazarus House. Other events taken on by the Student Council this year are: Toy's for Tots, Powder Puff football, the Halloween costume contest, and many school dances. Each required lots of time, but proved successful. So far it has been a great year, and we Student Council members are sure it will only get better.

ACTIVITIES

IN THE SPOTLIGHT

Bravo, thespians! This year's NAHS Theatre Guild has risen way above its expectations. The spring was one to remember with over fifty talented and extremely dedicated actors, singers, dancers, and crew, collaborating to take on "West Side Story," an enormous challenge never fostered at NAHS. Many of the Guild's members also took part in the fall's affiliation with Shakespeare & Company and its 1960's rendition of "The Merchant of Venice." The standing ovations they received certainly displayed the Guild's triumphs.

THE WRITING ON THE WALL

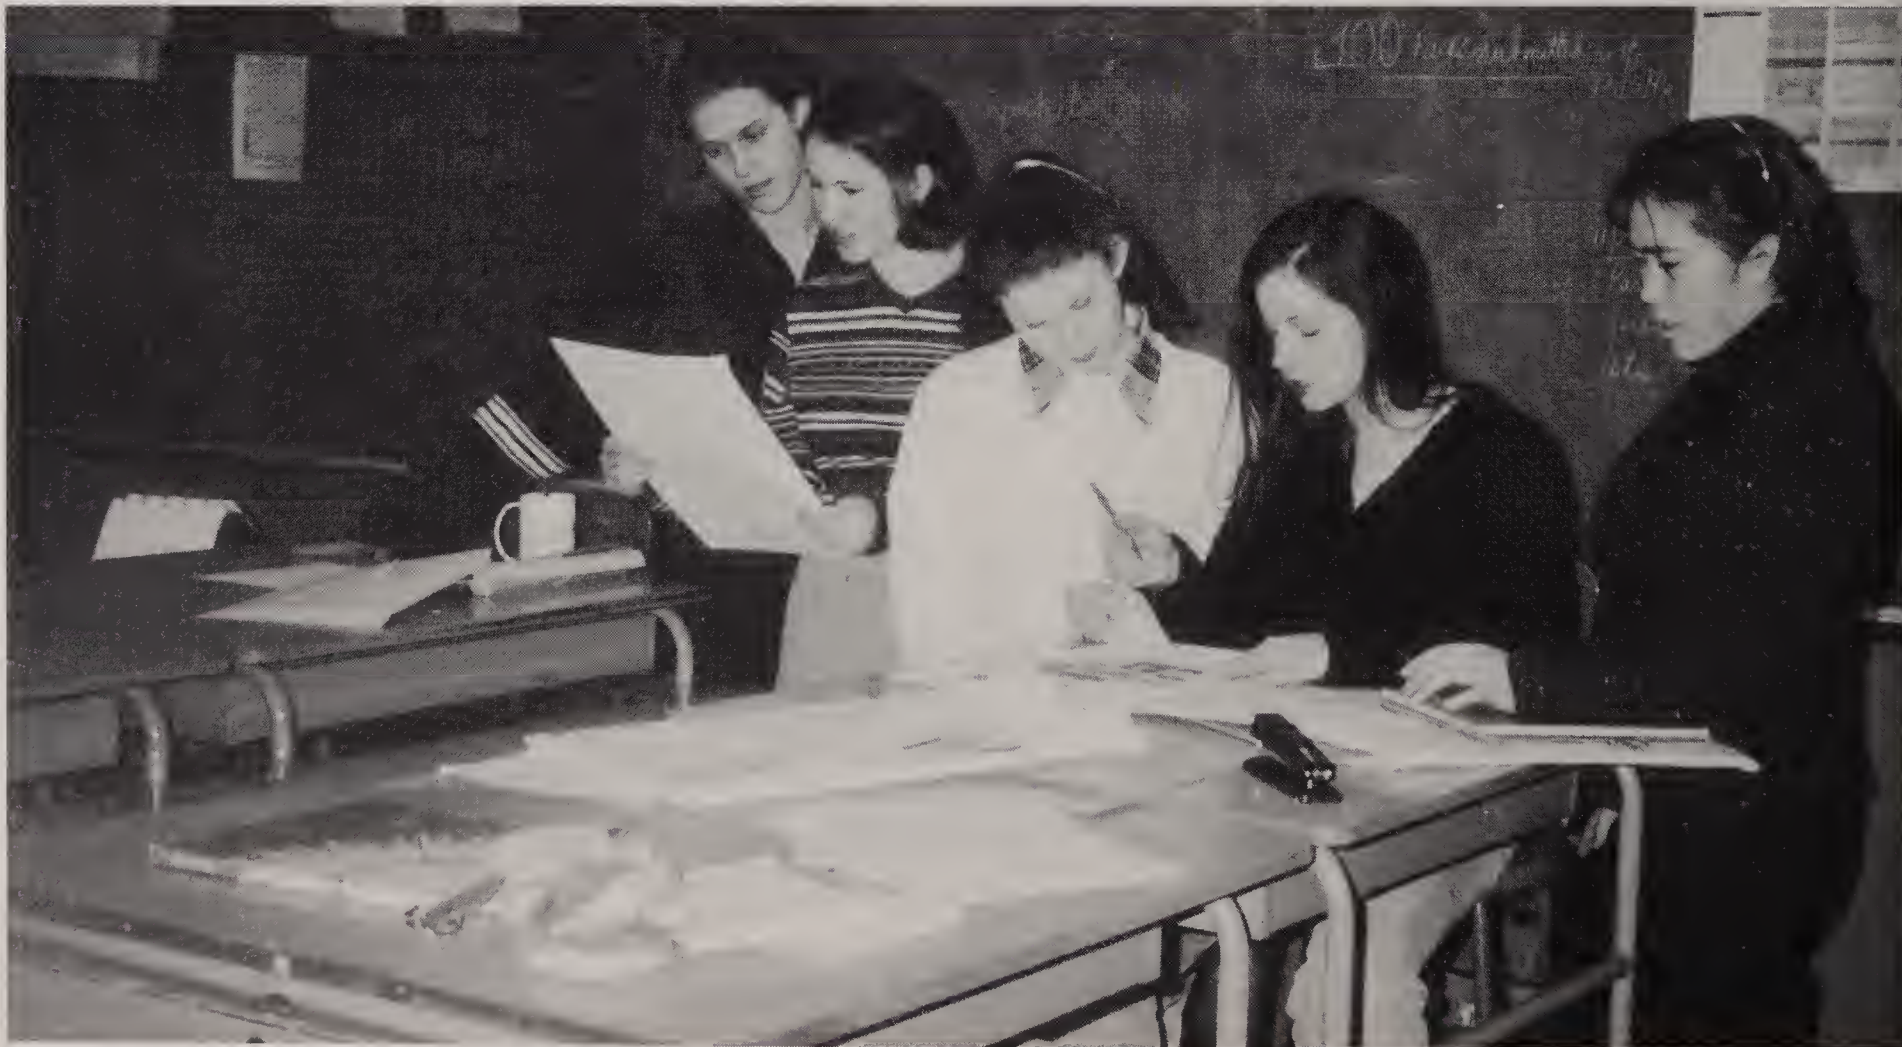

The Wall is the newspaper here at North Andover High School dedicated to you, the student body. We cover school news, sports, arts & entertainment, special functions, and anything newsworthy. We hope to keep recruiting good writers and journalists, photographers, and artists, to keep building the paper into an institution that everyone can enjoy and appreciate. With parent subscriptions and local advertising, we are also trying to stretch out into the greater community and let them know what happens at NAHS. We look forward to the coming year, and we hope you will join "The Wall."

DOCUMENTING THE MEMORIES

Throughout this year, the five yearbook editors, Lisa Wong, Deb Volp, Tara Plisinski, Megan Douglas, and Kim Anderson, along with the yearbook staff, have worked diligently to make this year's yearbook a special memory for the senior class to cherish always. All the editors have mastered the technique of page layout, captioning, and proofing while becoming very familiar with Desktop Publishing on the staff's Macintosh Computer. In addition, the editors had the duty of soliciting advertisements in order to defray publishing costs. The cornerstone of this massive undertaking, however, lies in the yearbook advisors, Mr. Hehn, and Mrs. Apigian. Without their dedication and hard work, this yearbook would not have been possible.

FALL PLAY

This past fall, North Andover High School performed their third collaboration with Shakespeare & Company, "The Merchant of Venice". The cast was privileged to work with two outstanding directors, returning director, Tom Jaeger, and newcomer, Christine Whitley. This production was the culmination of the Shakespeare & Company artist-in-residence program. In addition to directing, Tom and Christine also taught "Merchant" to English classes.

For eight weeks, the cast and crew worked together to bring audiences a powerful and stunning show, complete with comedy, romance, prejudice, hatred, injustice, music, and love: with a 1960's flavor. Although this was the most complex and challenging Shakespearean play North Andover High School has ever mounted, the cast succeeded tremendously in portraying the strong emotions of the characters.

The show was performed November 15th through the 18th at the High School. The final performance took place at the Fall Festival of Shakespeare at Berkshire Community College on November 23rd.

The cast and crew would like to thank Ms. DiGianni for EVERYTHING! Also, we'd like to thank Dr. Binkney for his work in bringing Shakespeare & Company to NAHS and Mrs. Moody for her endless work on costumes. Special thanks to Dr. Wiltshire, Tom Boettcher, and Mr. Gregoire.

The cast of The Merchant of Venice practices for their big night.

Meredith Smart and Meredith Parker get into character.

Actors Nick Zwinggi, Ngon Trinh, and Yasha Berman step in tune to music sung by Frank Sinatra.

Kristina Kattar quietly prepares herself for a big performance.

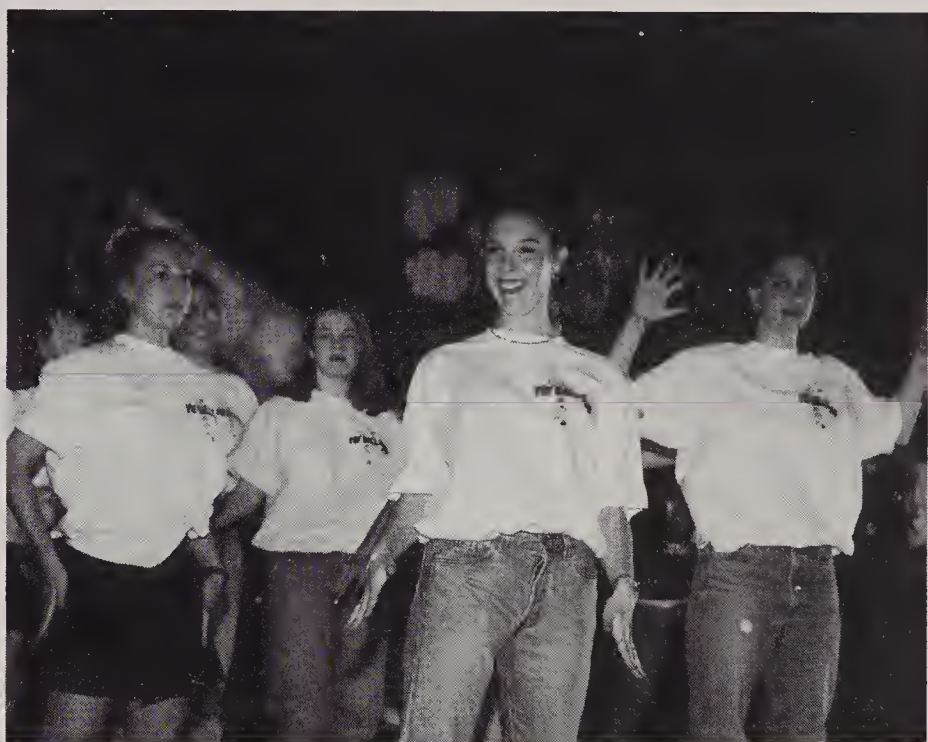

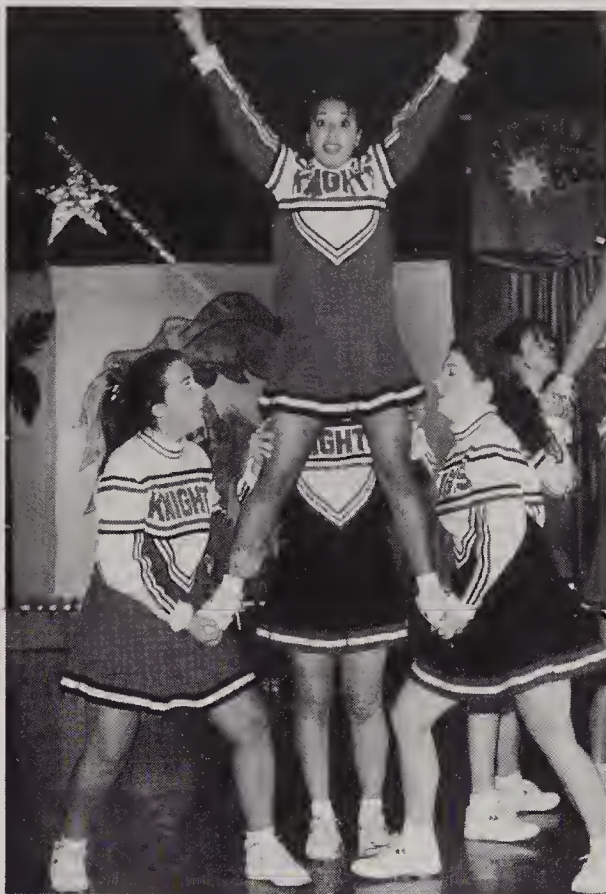

Carina Canaan, Noelle Vicens, and Stacy MacDonald pose for the camera.

JUNGLE BOOGIE

The 1996 Pep Rally, based on the Jungle Boogie theme, featured everything from cardboard buses to swinging monkeys. Despite some setbacks, everyone worked together to make this Pep Rally one to remember. With Masco stealing the football Captain, instead of just the playbook, as well as very strong choreography to such songs as "Eye of the Tiger," "Rescue Me," "Born to be Wild," and, of course "Jungle Boogie," this Pep Rally was a tremendous success. Once again, we owe a huge debt of gratitude to Ms. Lumb, our dedicated advisor. Without her hard work and tireless enthusiasm, none of this would have been possible. We thank you.

The annual Homecoming dance was held on Friday October 25, 1995. Nominated for King were Nick Rauscher, Mike Fleming, Nick Bruce, Nathan Tortora, and Steve Diminico. Queen nominees were Stacey Lafond, Erin Caffrey, Leah Bucu, Alyssa Manzi, and Diana Ichton. The lucky Homecoming King and Queen were Nick Bruce and Alyssa Manzi. Congratulations!

THE KNIGHT OF LOVE

This year's Valentine's Dance was held on February 7, 1997 and was sponsored by the Class of 1998. Nominated for King were Brian Kwong, Tom Croft, Nick Bruce, and Juris Magararu. The Queen nominees were Stacy Wilkinson, Karen Tkacs, Barbara Sanford, and Carissa Lietz. Congratulations to the underclassmen princesses and princes, Freshmen Jeanna Bucu and Corey Lawlor, Sophomores Kerri Caffrey and Nick Schwidder, and Juniors Stacy MacDonald and Derek Jones. At the end of this "Knight of Love", Nick Bruce and Barbara Sanford were chosen as the King and Queen of the Valentine's Day Dance.

LET US

Let us wish, let us dream
Let this world set us free

Let a new one accept us in
Let us fail and let us win

Let us struggle, let us manage
Let our young selves take new chances

Let us discover, let us find
Let us take roads that twist and wind

Believe in us, as we believe in you
We are no longer the helpless children you once knew

We know the fright you must feel
But let us go, let us make it real
